MANAGERS REPORT

Hope everyone has an awesome summer and is looking forward to cooler times on the ice very soon. First, I would like to thank the Board for giving me this opportunity to be our clubs General Manager. I have some very big shoes to fill this season. Thankfully, Dave is around to guide me along. He has done such a great job here over the years promoting our club and curling around the world. Financially we have never been stronger. Thanks to Dave and Heather securing our gaming grants over the years is a big part of that. As Merk said all our events at the club wouldn't be possible without the tremendous volunteer base that we have.

New this year, we are hosting a **Super Series Mixed Doubles** event. There will be Olympic Athletes competing here for this from around the world. Team Jones/Laing and Cotter/Cotter will be headlining our Canadian contingency. We will need once again a bunch of volunteers for timing. Please email the club or talk to me if you can spare an hour and a half. September 28-30th.

Registration is available online with a payment portal at the end. If you can please pay with debit or e-transfer preferably to save your club with transaction fees would be awesome!

I look forward to the challenges ahead and welcome everyone to pop in and say hi. See you in September.

Hello fellow curlers,

On behalf of your board of directors I'd like to welcome you back for another great season of curling at the VCC!

Much has happened over the last year and I'm confident you will continue to enjoy being a member of our curling club. Improvements to the lounge area, office and club entrance are underway, our curling stones have had striking band and running surface restoration, and the biggest news is we have a new General Manager!

After 17+ years of running our club Dave has decided to "slow down a bit" and focus his talents on being our Head Ice Technician.

Our search for a new GM started last year and the BOD is pleased to announce that Kevin Geistlinger has been selected to take over operations of our club as of August 1st. Kevin's passion for curling, the future success of our club, and his past experience as a Golf course general manager make him a perfect fit. Please drop in to the office and say hello to him next time you visit the club.

On line registration is now open for the 2024/25 season. Visit the club website and get signed up! On line registrations help tremendously to reduce office administration at this busy time of year. We also ask that you make payments by E-transfer or debit to help reduce the service fees charged to our club.

Registrations are open for our very own ACADEMY OF CURLING weekend Oct 18-20. Don't miss this opportunity to get first class curling instruction with Veteran Canadian and World champions Russ Howard, Mary-Anne Arsenault and Grant Odishaw.
