

The following sweeping instructions have been amended:

3. Only one sweeper **at a time** per stone delivered.
 - a. The person that starts sweeping the shot will continue **until the hogline or the end of the shot.**
 - i. Relaying **is permitted at the hogline.**
 - b. The skip or vice-skip controlling the house **can sweep their own team's rocks after the t-line but only if another active sweeper has stopped sweeping.** There is no sweeping of opposition rocks.
 - i. The opposing skip is NOT permitted to sweep and must remain in the hack area or on the backboards until all stones come to rest.
